

PCG
EC Meeting
04/04/2017

Meeting convened at Coffee's On. Members present: David Zink, Karen Quattlander, Michael Walden, Verna Myers, Dan Joseph.

1. David Zink read the Restated Articles of Incorporation of the Paradise Community Guilds.

Michael moved that we adopt them; seconded by Dan.

Passed unanimously. To be brought before the membership for a vote at the next membership meeting 4/10/17.

2. We need to change the title of the Paradise Community Guilds/Norton Buffalo Hall and in order to do this, we need to know if the title is free and clear. This could be done by ourselves for a minimal fee or through a title company for several hundred dollars. David and Verna have contacted 2 title companies, and felt that Bidwell Title offered good info and support.

Michael moved that we have a title search done by Bidwell Title in order to change the name on our title, which will cost roughly \$600.

Karen seconded this motion.

Motion passed unanimously.

3. There will be some ongoing maintenance costs to take care of the 2 bee colonies that now rest at the NoBuff Hall. Dan would like to retain ownership of the hives and the 2 colonies, and maybe split them next year. In the meantime, they need to be fed, maybe medicated, and new queens purchased next year. 5 pounds of sugar to be ordered from Azure Standard to feed the bees.

Respectfully submitted,
Karen Quattlander, Secretary
